ACCEPTANCE OF TERMS

I hereby request a rebate for the listed work. Attached are copies of all receipts or invoices. I have read and agree to the Terms and Conditions on the reverse side of this form. I certify that a licensed contractor has installed the listed high-efficiency natural gas heating and/or water heating system in accordance with Program Guidelines and Terms and Conditions as described on this form.

DATE _____ PRINT NAME _____ AUTHORIZED SIGNATURE  _____

* Fill out Electric portion on page 3.

Some restrictions may apply. Rebate offers are subject to change without notice.

TERMS AND CONDITIONS

- 1. Customer Eligibility** - You must be a residential natural gas heating customer of Liberty Utilities (NH Only) or Unitil (NH Only) to qualify. Only equipment purchases and installations made between January 1, 2017 and December 31, 2017 are eligible for rebate. Equipment must be installed by a licensed heating or plumbing contractor at the customer's address listed on the Rebate Form. All installations must conform to all applicable codes and be installed in accordance with all rebate Program Guidelines. Rebate form must be filled out completely, signed and accompanied by dated receipts or invoices, and received by the Program within 60 days from installation date.
- 2. Installation Verification** - Prior to honoring any rebate, the Program reserves the right to conduct an on-site verification that the equipment has been installed according to Program Guidelines and is in operation. This site visit, and all aspects related to this site visit, are conducted solely for such purpose. The site visit is not a safety review, nor is it intended for any other purpose.
- 3. When will I receive my rebate?** - Pending approval, we will process and mail the rebate within 6 to 8 weeks of receipt of the properly completed and signed application.
- 4. No Warranties** - The Program and the Vendor do not endorse, guarantee or warrant any particular contractor, manufacturer or product installation. The Program and the Vendor do not make any representation of any kind regarding the results to be achieved by the equipment or the adequacy or safety of such equipment. The Program is not responsible for any damage that may be caused by or arise out of an installation of any equipment, whether self-installed by the customer or installed by a contractor.
- 5. Changes to High-Efficiency Equipment Rebate Program** - The Program is subject to change without prior notice, and rebate offers may increase or decrease at any time.
- 6. Tax Liability** - Participants of the program may be subject to tax liability for the value of goods and services received through the program pursuant to state or federal income tax codes.
- 7. No Tax Liability to the Program and Rebate Administrator** - The Program and the Rebate Administrator are not responsible for any tax liability which may be imposed as a result of receipt of the rebates provided by the natural gas utility to the customer.
- 8. Liability & Release** - As part of the consideration for participating in the program, participant hereby releases and shall indemnify, hold harmless and defend the Program, its member utilities, and the Rebate Administrator from any and all claims, losses, harm, costs, liabilities, damages and expenses (including attorneys' fees) of any nature whatsoever arising directly or indirectly out of or in connection with the installation of high-efficiency equipment at the premises or any material and labor required for such installation.
- 9. Changes to Rebate Amounts** - The Program will provide rebates for approved equipment up to the rebate amount indicated in this application. Projects greater than ten (10) units require pre-approval from the Program for rebate funds to be reserved. Pre-approval can be obtained by contacting nhsavesrebates@efi.org. Maximum rebate amount cannot exceed purchase price.
- 10. Where can I find a contractor to install the equipment?** - Refer to the ENERGY STAR® website at www.energystar.gov for tips on how to find the right contractor, and check the local Yellow Pages for a complete list of licensed plumbers or heating contractors that specialize in gas heating and water heating systems.
- 11. Payments Assignable to a Third Party** - (a) The Customer may request that the incentive be paid directly to a third party by so indicating in the Program Application. Notification of third party payment will be sent to the Customer ("Account Holder") upon submission of the Program Application for the purpose of customer confirmation. (b) If no payment choice is made, the Company will send the incentive payment directly to the Customer ("Account Holder") at the address indicated in the Program Application.
- 12. Incentive Amounts** - The Company will provide incentives for approved equipment, equal to the incentive amount indicated in the Company's Program literature and within the Program application. Rebates are not available on refurbished or used equipment. The Company reserves the right to change its incentive amounts in addition to negotiating a lower incentive amount on a per-unit basis in the case of multiple installations at the same site. The incentive may not exceed the installed cost of the equipment. The Company will not provide incentives that are more than 50% of the cost of equipment and installation and will limit the incentive amounts per project at the discretion of the Program Administrator.
- 13. By Your Signature and Acceptance of Energy Efficiency Incentive(s)** - You acknowledge that the data collected through the use of the wireless enabled thermostat may be shared with your electric and/or gas distribution company.
- 14. Electric Benefits** - Other than the energy savings realized by Customer, Customer agrees that Program Administrator has the unilateral right to apply for any credits or payments resulting from the Program or equipment. Such credits and payments include but are not limited: (a) ISO-NE capacity payments, (b) other electric or natural gas capacity and avoided cost payments or credits, (c) environmental credits, and (d) payments from demand response programs. Customer further agrees Customer will not file for such payments or credits either directly or indirectly, and will not consent to any other third party's right to such payments or credits. This right is irrevocable for the life of the equipment unless the Program Administrator provides written consent.

Participants who receive equipment incentives through another energy efficiency program offered by the participating utilities are not eligible to receive incentives directly through this Program for the same equipment.
